CONTINUING EDUCATION GUIDELINES

Daikin AC University provides a certificate of completion that includes the number of PDH (Professional Development Hours) for all attendees of qualified training courses.

Florida

In the state of Florida, Daikin AC University has been approved as a **provider** of continuing education; specific courses have been approved for continuing education.

Louisiana

In the state of Louisiana, Daikin AC University has been approved as a **provider** of continuing education.

North Carolina

In the state of North Carolina, Daikin AC University has been approved as a **provider** of continuing education for Professional Engineers and Surveyors.

New York (PIE)

In the state of New York, specific courses have been approved for continuing education.

Remaining States

States not listed above currently do not have a Continuing Education requirement. As with all training courses, Daikin AC University requires prior notification of any event that a Certificate of Completion is requested. All Daikin AC University certificates will indicate the Professional Development Hours (PDH) of the course completed.

Professional Development Hours (PDH):

For every hour of (training) time, 1 (one) Professional Development Hour will be given.
